The St. Paul District, U.S. Army Corps of Engineers, is accepting applications for Summer 2024 TEMPORARY Park Rangers (GS-3/4) at the following locations:

- Cross Lake Recreation Area • Crosslake, MN
- Pokegama/Winnibigoshish Recreation Areas • Grand Rapids, MN
- Leech Lake Recreation Area • Federal Dam, MN
- Sandy Lake Recreation Area • McGregor, MN
- Gull Lake Recreation Area • Brainerd, MN
- Lake Ashtabula, Baldhill Dam • Valley City, ND
- Eau Galle Recreation Area • Spring Valley, WI
- Blackhawk Park • Desoto, WI

ABOUT THE PROGRAM:
Successful applicants will work at a United States Army Corps of Engineers (USACE) St. Paul District dam and/or recreation area project site as a uniformed recreation/natural resources temporary park ranger. Duties may include assisting visitors who are camping, swimming, picnicking, boating, etc. at heavily utilized campgrounds and day use areas, assisting with facilities and grounds maintenance at recreation and dam facilities, interpretive programming, forest management, trail management, Title 36 C.F.R rules enforcement, and fee collection.

TEMPORARY RANGER POSITIONS:
Students, graduates, and others with relevant experience are eligible to apply for Temporary Park Ranger positions. These positions are seasonal and may not exceed 6 months of service. Assignment period typically runs from May through September but may vary slightly depending on availability.

NECESSARY SKILLS:
Applicants should possess outstanding communication and interpersonal skills, hold a team mentality, have a positive attitude about their work and learning new procedures, be able to follow instruction from lead rangers and supervisors, be able to work independently, possess the ability to effectively interact with a diverse range of visitors, be able to work outdoors in a wide variety of weather conditions, possess a working knowledge of computers, and have the knowledge, skills, and ability to perform light maintenance duties. Work schedule is full time (40 hours per week) and INCLUDES NIGHT, WEEKEND & HOLIDAY HOURS. Successful applicants will be required to wear the Corps of Engineers NRM uniform in compliance with rules and regulations (uniform provided upon employment).

SALARY:
$15.60/$15.91 per hour* depending upon experience, location and locality. Premium pay opportunities for nights, Sunday’s, and holidays *Pay rate is based on GS-3/GS-4 , Step 1 of the Rest of U.S. General Schedule pay scale. Rates may vary.

WHO CAN APPLY:
Students, Graduates, & Others who are:
- U.S. Citizens
- Interested in temporary employment.
- Have previous work experience or education related to this position or are currently pursuing a degree in a field related to this position such as: Parks/Recreation Management, Natural Resource Management, Forestry, or Fish & Wildlife Management, Environmental Education, Biology, Environmental Science, etc.

HOW TO APPLY:
Interested applicants may apply by emailing the following documents to Jeff Steere, at jeffrey.l.steere@usace.army.mil.
- Resume
- Educational transcripts (unofficial transcripts are acceptable)
- Work site/location you would like to be considered for. Please indicate “All” if preference is not given. If work site/location preference is not indicated, application will be disqualified.

Applications will be accepted 8:00 am December 11, 2023, through 11:59 pm February 9, 2024
