JOIN THE AQUATIC & WETLAND RESEARCH LAB!

NOW HIRING FIELD & LAB RESEARCH TECHNICIANS FOR SUMMER 2024

The Aquatic and Wetland Research Lab is a State Certified Laboratory that monitors the water quality of lakes, rivers, reservoirs, and wetlands across the state of Iowa. We are looking for motivated students to assist with water quality monitoring and analysis this summer 2024.

ABOUT US

- Travel to sample sites on lakes, rivers or wetlands across Iowa for water sample collection
- Deployment & operation of water quality equipment (boats & trailers, YSI Sondes, Wisconsin Nets, automated samplers and more)
- Assist with site and equipment maintenance

FIELD TECHNICIAN POSITION

- Prepare and analyze water samples using standard operating procedures for a variety of analyses (phosphorus, nitrogen, chlorophyll and more)
- Log and organize data and observations
- Operation of water quality analysis equipment (Spectrophotometers, titrators, fluorometers and more)

LAB TECHNICIAN POSTION

- Hiring field & lab technicians
- Summer: 40 hours per week
- Fall semester (Aug – Oct): up to 20 hours per week
- Potential to extend employment through school year
- $15 per hour
