1  STEWARDSHIP CREW MEMBER

The AmeriCorps Stewardship Crew is essential to the management and restoration of Bur Oak Land Trust properties and other protected properties on which the land trust serves in Eastern Iowa. Part-Time Stewardship Crew Members will learn to use a variety of land management techniques to restore native habitat and remove invasive plant species including prescribed fire, chainsaw operation, herbicide applications, and other tools to contribute to the overall biological health of these lands.

**Service Term:** September 2023 - August 2024 (Full-time)
**Living Stipend:** $18,000.00  
**Education Award:** $6,495.00*

2  GIS & MAPPING CREW MEMBER

GIS & Mapping Crew Members use drones, GPS, and GIS technology to create property maps, photograph properties for monitoring purposes, and collect map data for land management plans. This position will fly drone mapping missions and input the data collected into orthophotography and GIS software. Candidates must have experience with ArcGIS and have used or managed geospatial databases. Training and certification testing for the Part 107 drone pilots license will be provided.

**Service Term:** September 2023 - August 2024 (Half-time)
**Living Stipend:** $9,000.00  
**Education Award:** $3,247.50*

To serve with AmeriCorps, individuals must be 17 years old at the start of service with a high school diploma or GED, must be able to pass criminal and sex offender registry background checks, and must be a U.S. citizen.
