**Subject:** Chair, Department of Environmental, Agricultural, and Occupational Health - University of Nebraska Medical Center - Omaha, Nebraska

WittKieffer is proud to partner with University of Nebraska Medical Center (UNMC) to conduct the national search for their next Chair, Department of Environmental, Agricultural & Occupational Health. This is a unique opportunity at one of the most dynamic academic medical centers in the U.S.

The Chair of Environmental, Agricultural, and Occupational Health reports to the dean of the College of Public Health, Dr. Ali Khan, and will work closely and collaboratively with other college leaders, fellow department chairs, internal and external university partners and stakeholders, and departmental faculty, staff and students to advance the interests of the College of Public Health.

The preferred candidate will possess a Ph.D., Dr.P.H., or M.D./M.P.H. degree, with active work in the field of public health and environmental, agricultural, or occupational health, is required. Additionally, it is expected that successful candidates will possess credentials and experience in research, teaching, and service equivalent to a full professor at UNMC.

Please direct all applications, inquiries, and nominations to Joyce DeLeo, Rob Springall or Ethan Robles using the [WittKieffer Candidate Portal](#) or by email, at: [UNMC-EAOH-Chair@wittkiewfer.com](mailto:UNMC-EAOH-Chair@wittkiewfer.com). The Candidate Portal is a secure, easy way to nominate a colleague, express interest, or apply for a position. Either means of application is acceptable.

Sincerely,
