

### [Coastal ecology internship- Dauphin Island Sea Lab](#)

We are seeking a motivated and enthusiastic intern in Dr. Ron Baker's lab (<https://bakerlab.wixsite.com/baker-lab>), part of the School of Marine and Environmental Sciences at the University of South Alabama (<https://www.southalabama.edu/colleges/artsandsci/marinesciences>) and based at the Dauphin Island Sea Lab ([www.disl.edu](http://www.disl.edu)).

The position will be a full-time 6-month internship with a 3-month probationary period, and the potential for extensions based on performance. Preferred start date is July 13, 2026, but can be flexible for the right candidate. Salary is \$16.50/hr.

Internships are available to U.S. citizens and residents only. View the full job announcement here: <https://bakerlab.wixsite.com/baker-lab/join-our-lab>. Please apply here: <https://forms.gle/HcDJm5RqkdGERcRv8>. Applications are due by June 14, 2026, but review of applicants will begin immediately. Please direct questions regarding eligibility or the application process to [bakerlab@disl.org](mailto:bakerlab@disl.org).
