Subject: Colorado Parks and Wildlife ranger and wildlife manager positions

Hi John,

You and I have exchanged emails a few times over the years and I wanted to let you know about career opportunities at Colorado Parks and Wildlife. I am an ISU graduate from Animal Ecology and currently a Deputy Regional Manager at Colorado Parks and Wildlife. I started my career as a District Wildlife Manager (game warden) and currently we are taking applications for our District Wildlife Manager positions. Our Park Ranger positions are also open. We have a webinar in a few weeks that will give information about both of these positions and it would be great if you could send it out to those seeking job opportunities. Here is the webinar link:

https://cpw-state-co.zoom.us/webinar/register/WN_rCfbHuD8QbeFlijs5yO0EQ

Here is the link to the District Wildlife Manager position and the application period is open now.

<https://cpw.state.co.us/aboutus/Pages/Jobs-District-Wildlife-Manager.aspx>

I would be happy to be a contact for people who have questions.

Thanks in advance for any help spreading the word about these careers. Have a good Labor Day weekend.

Shannon Schaller
Deputy Regional Manager, Northeast Region
