Subject: ACE Intern position open for La Crosse (Forestry)

Please share far and wide the announcement for an ACE Intern (forestry) to assist with the Big River Forests IRA project. The position will be stationed in La Crosse and this is a year long assignment. Attached is the link to the announcement that opened yesterday. <https://usaconservation.applicantpool.com/jobs/1179177>

There will be ACE Intern forester positions at McGregor District, Great River NWR, and IL River NWR as well.

Tim Miller
