PHEASANTS FOREVER AND QUAIL FOREVER
The Habitat Organization
JOB VACANCY ANNOUNCEMENT

Habitat Education Program Manager
(Remote nationwide opportunity)

Position Summary:
As a member of the Conservation Education team, the Habitat Education Program Manager provides leadership, coordination, and support for programming on a national level through strategic outcome-based initiatives to grow an informed and diverse public that appreciates and supports wildlife habitat and the benefits it provides. This organized and self-motivated individual will represent Pheasants Forever and Quail Forever at the national level to educate, engage, and expand the upland conservation community. This position requires innovation and creativity to provide opportunities for individuals to find their own unique passion for wildlife habitat through our Path to the Uplands initiative. The program manager will collaborate with staff, partners, and chapters to cultivate generations of conservation advocates by deliberately engaging a diverse public through a combination of habitat education events and classroom projects. This position also works in partnership with corporate relations, development, and marketing teams to cultivate and steward partnerships and funding to support the goals of the Habitat Education program.

Primary Duties:
• Facilitate continuous development, evaluation, and improvement of Habitat Education programs (Pollinator Habitat Outreach Program - PHOP, Milkweed in the Classroom - MIC, etc.) that engage diverse stakeholders.
• Provide support, resources, and training to the Delivery team to expand opportunities for participation and education on the importance of quality wildlife habitat, wild places, and healthy ecosystems.
• Coordinate the cross-functional delivery of a creative National Pollinator Week campaign as part of the Hands-on Habitat initiative by collaborating with the Delivery, Development, and Marketing/Communications teams.
• Identify and coordinate grant funding opportunities, including writing and submitting applications while working alongside the Grants team to complete corresponding agreement deliverables.
• Build outcome-based reports to inspire new and maintain existing corporate partnerships that support Habitat Education programs, by developing engaging graphics and images to tell authentic stories that motivates action.
• Work closely with additional Program Managers to provide strategic direction, focus, and support to existing state-based Outreach Coordinators and field staff.
• Develop and use methods of regular communication to deliver a consistent message about our Path to the Uplands (P2U) mission with chapter leaders, keeping our volunteers informed and motivated about activities, goals, and fundraising efforts.
• Work collaboratively with all functions of the organization to drive innovative outreach events, including the hugely successful Youth Village held annually at national Pheasant Fest and Quail Classic.
• Identify and pursue opportunities to increase habitat education to non-traditional audiences, while collaborating to expand strategic diverse partnerships to advance the upland conservation community.
**Desired Qualifications:**

- A passion for Pheasants Forever and Quail Forever’s mission, as well as knowledge and appreciation of conservation, hunting, and the outdoors.
- A general qualification guideline is a BA/BS in Natural Resource Management, Wildlife Biology, Conservation Education, Ecology, Rangeland Science, or other related fields and 4+ years of related work experience.
- Demonstrated experience and ability in successful project management, with strong attention to detail.
- Sound working knowledge of wildlife ecology, habitat management, and pollinator habitat establishment. Able to use this knowledge to grow Habitat Education programs and build resources.
- Strong commitment to quality customer service and the ability to work across constituencies with a broad range of stakeholders in the delivery of outdoor education, partnership development, and volunteer support.
- Clear and direct communication along with excellent organization, collaboration, and leadership skills.
- Ability to work independently with limited supervision as well as within a dynamic team environment of high-functioning professionals.
- A commitment to continuous learning and growth
- Ability and willingness to work some irregular schedules including occasional weekends, evenings, and overnight stay. The travel estimate range is 20-30 days annually.

**Application Closing Date:** August 23, 2023

**Anticipated Start Date:** September 2023

**Location:** Remote (home office)

**Starting Salary:** Base of $57,000 or commensurate with experience, skills, and knowledge + Benefits (View Benefits Summary on our Recruitment website at [www.pheasantsforever.org/jobs](http://www.pheasantsforever.org/jobs))

**To Apply:** Please combine your cover letter, resume and three references into a Word document or PDF file before uploading to the “Resume” area of your application on our Recruitment website at [www.pheasantsforever.org/jobs](http://www.pheasantsforever.org/jobs).

**For more information:** Please contact Colby Kerber, Director of Conservation Education Programs at (308)520-0876 or Ckerber@PheasantsForever.org
