Subject: Little River Band of Ottawa Indians fisheries job postings

The Little River Band of Ottawa Indians (Manistee, Michigan) are looking for a few seasonal Fisheries and Natural Resource Technicians for this summer as well as a full-time Great Lake Technician. These positions are a good opportunity to get some great experience. They can be found at https://lrboi-nsn.gov/resources/employment-opportunities/

If you could send them out that would be great!

Thank you,

Brooke May
Inland Fisheries Technician
Little River Band of Ottawa Indians
Natural Resources Department
