

Hiring Summer Field Technician

to work with M.S. Student Emily Michalzik

\$15-16/hr
20-40 hrs/week

Mid July-
September

Duties:

- Assist with benthic aquatic invertebrate sample collection
- Assist with packing field gear
- Possible shorebird tagging opportunities

Preferred Candidate:

- Willing to work 1-2 long field days a week (~15 hours)
- Comfortable on boats and around water
- Invertebrate sampling and boat experience would be helpful, but not necessary!
