Modoc NWR has 3 temporary position announcements that we were hoping you could post on the listserv. Modoc NWR is located in remote Northeast California off of Highway 395. It is near the town of Alturas, where basic amenities can be accessed.

**Biological Program Support Member**- Modoc National Wildlife Refuge

https://usaconservation.applicantpool.com/jobs/1060586

- Summary: American Conservation Experience, a Nonprofit Conservation Corps, in partnership with the U.S. Fish and Wildlife Service (USFWS) is seeking ONE Biological Program Support Member to contribute to biological surveys and conservation projects alongside Modoc NWR staff.
- Start Date: May 2024
- Estimated End Date: 17 weeks later
- Position Benefits: ACE members will be accommodated in provided FWS housing at no cost for the duration of the term. The ACE Member is expected to contribute ~40 hours/week and will receive a living allowance of $500/week to offset the costs of food and incidental expenses, dispersed bi-weekly.

**Invasive Species Members**- Modoc National Wildlife Refuge

https://usaconservation.applicantpool.com/jobs/1060588

- Summary: American Conservation Experience, a Nonprofit Conservation Corps, in partnership with the U.S. Fish and Wildlife Service (USFWS) is seeking TWO Invasive Species Members to contribute to invasive plant management projects alongside Modoc NWR staff.
- Start Date: May 2024
- Estimated End Date: 17 weeks later
- Position Benefits: ACE members will be accommodated in provided FWS housing at no cost for the duration of the term. The ACE Member is expected to contribute ~40 hours/week and will receive a living allowance of $500/week to offset the costs of food and incidental expenses, dispersed bi-weekly.

**FWS Maintenance Fellowship**- Modoc National Wildlife Refuge & other stations across the USA

https://mobilizegreen.bamboohr.com/careers/616

- Summary: Modoc NWR is seeking ONE Maintenance Fellow. Other field stations around the nation are also seeking Fellows. The Fellows will work on a variety of maintenance projects on a network of public lands and waters called the National Wildlife Refuge System. As a Fellow, you will work in a beautiful setting, learning maintenance, project management, equipment use, and leadership development.
- Start Date: June 2024
• Estimated End Date: 52 weeks later
• Position Benefits: Modoc NWR's Maintenance Fellow will be accommodated in provided FWS housing at no cost for the duration of the term. The Fellow will receive a living allowance of $800/week.
