

# Job Detail

## Natural Resource Aide - Seasonal

<b>Posted</b>	02/21/2024
<b>County</b>	Dickinson
<b>Location</b>	Okoboji - Milford ,Iowa
<b>Salary</b>	\$16.00- \$18.00 DOE/hour, 40 hours/week

### Description

Flexible start and end date, roughly May-November

### Duties & Responsibilities

Duties include, but aren't limited to:

- Assist with all aspects of ecological restoration and management of prairie, wetlands, and oak savanna through prescribed fire, herbicide application, tree and shrub removal, and other tasks as assigned
- Assist with park, facility, and equipment maintenance, cleaning, and repairs
- Assist with all aspects of the integrated roadside vegetation management program
- Assist with trail maintenance on hard surface and undeveloped trails

### Knowledge, Skills & Abilities

- Possess an interest in conserving local ecosystems
- Possess the ability to walk, stand, kneel, crouch, reach, stoop, and climb to accomplish tasks
- Possess the basic ability to operate mowers, farm equipment and highway and off-road vehicles
- Possess the basic ability to safely operate power tools, chain saws, and weed eaters
- Possess the ability to work without direct supervision

- Possess the ability to regularly lift 50 lbs.
- Possess the ability to communicate effectively with peers and the public
- Possess the ability to work in difficult weather conditions when necessary
- Possess a willingness to learn on the job

This is a seasonal position under the supervision of the Natural resource manager. Some weekend and holiday work rotation may be required.

**Application:** Dickinson County Conservation Board Application  
(<http://dickinsoncountyconservationboard.com/employment-application/>)

### Qualifications

- Must be 18 years of age or older and possess a valid driver's license
- Possess basic knowledge of Iowa ecosystems, plants, and animals
