

JOB TITLE: Nuisance Wildlife Technician

HOURS: Varies depending on season but typically 30-40 per week.

DAYS PER WEEK: Monday-Friday and some weekends

JOB SUMMARY: Removal and prevention of nuisance wildlife from manmade structures and the areas around them. This will involve inspections of physical structures, setting of traps, physical capture of animals, euthanasia of animals, and installation of preventive materials. Bat proofing of structures using ladders and caulk gun. Daily activities include: driving to Bondurant to check-in and pick up supplies and vehicle, setup of daily service route, communicating with customers, sale of services, completion of service work, and office check-in.

Will train right candidate

JOB REQUIREMENTS:

- Operate motor vehicle – must possess valid and clean Iowa driver's license.
- Enter/exit structures, crawl spaces, attics, climb over and on top of structures, ascend and descend stairs/ladders, walk on roofs.
- Read, write reports, and comprehend labels and training materials printed in English.
- Visually inspect for wildlife activity in, on, and around structures, determine species present, active and potential points of entry, install preventive solutions to active and potential wildlife situations.
- Utilize basic tools and inspection equipment including: power drill, hammer, staple gun, screwdriver, pry bar, mirror, flashlight, saw, tin snips, wire cutters, pliers, socket set.
- Tolerate a variety of environmental conditions, seasonal weather, and damp, dusty, poorly lighted areas.
- Be able to lift, carry by hand, and extend ladders up to 40 feet in height (approximately 75 pounds) multiple times each day. Be able to carry traps containing animals (weighing approximately 30 lbs.) multiple times each day. Be able to lift your own weight to gain access to attics and some rooftops.
- Have the ability to clearly communicate service and sales information to the customer multiple times each day.
- Capture animals using traps, capture poles, nets, or by hand.
- Physically capable of setting moles traps
- Provide approved euthanasia techniques for captured animals as required by State of Iowa law.

Job Type: Full or Part time

Salary: \$18.00 to \$22.00 /hour
