Good afternoon USDA Partners!

Please share this with your networks. I have also posted these positions to Handshake for student awareness.

Job announcements for **Soil Conservation Technician** positions are posted!

**Duties:**
- Gather and compile planning data on rural and/or urban sites, including physical features such as soil limitations, erosion, surface drainage, sedimentation, and other natural resource data.
- Prepare basic natural resources conservation plans where soil survey information is available.
- Schedule follow up with landowners or operators to check progress of conservation practices that are under construction.
- Reviews and makes simple adjustments when necessary to practices according to NRCS Practice Standards and specification.
- Presents material on practice application and specifications at community or contractor meetings.
- Assist with public information activities providing Natural Resources Conservation Service (NRCS) guidance and policy.
- Provides information to farmers, ranchers and other rural residents on the kinds of assistance available from NRCS and other United Stated Department of Agriculture (USDA) agencies.

**Locations:**
- **Central** (over 115 locations listed): [https://www.usajobs.gov/job/740385900](https://www.usajobs.gov/job/740385900)
- **Northeast** (over 10 locations listed): [https://www.usajobs.gov/job/740386100](https://www.usajobs.gov/job/740386100)
- **Southeast** (over 15 locations listed). Link to application: [https://www.usajobs.gov/job/740394700](https://www.usajobs.gov/job/740394700)
- **West** (over 55 locations listed). Link to application: [https://www.usajobs.gov/job/740407800](https://www.usajobs.gov/job/740407800)

These job announcements close on August 14th.
Submit your application if you are interested or please help to spread the news.
Please take a moment to share these Soil Conservation Technician job announcements with partners, schools, and others in your community, in person and online. Our recruitment video is also a great way to introduce potential applicants to the role.

Respectfully,

Cynthia
