The NBGI Foundation is excited to announce 4 State Coordinator positions (MO, OH, GA, and MS) to help deliver a new model of conservation delivery for landowners and producers through the Regional Conservation Partnership Program (RCPP). Strong candidates will exhibit exceptional communication and organizational skills, excel at partner collaboration, possess a passion for conservation, and be comfortable with software and technology. The position location will be mostly remote, but up to 1 day/week may be in the NRCS State Office in each respective state. Salary ranges from \$70K-\$75K (based upon experience) with a comprehensive benefits package. If you want to be part of team blazing new trails for conservation, then please consider applying for the position or forwarding to appropriate colleagues. Thank you!
