

Summer Internships at Iowa Bird Rehabilitation

We are pleased to announce our summer internships are now open to apply for. Please head to our website and begin the process by filling out the volunteer application. Select under areas of interest "College Internship". We will follow up with dates for interviews. Please email if you have questions. Thank you!

Iowa Bird Rehabilitation

Last year we admitted
3,187 birds

118 Different Species

This is a great opportunity to get hands on experience, learn about wildlife, and see how a non-profit runs

Help us grow and contribute to wildlife conservation in Iowa!
