

I am reaching out to you because we are in need for some seasonal work. We currently have alumni Wesley Sleeper, fisheries biologist grad from Iowa State on our staff full time. We are looking for a few people to hire for the summer. This is a great opportunity for students to gain experience in their related field. We are a Pond and Lake Management business based out of Cedar Rapids - you can go to Google and our website for more information on our business bjpond.com. The following is job summary

Job summary:

Load and deliver fish to ponds and lakes in Iowa using single tank or multiple tank vehicles. Valid drivers license and clean driving record required.

Clean and maintain holding fish tanks.

Assist with fountain/aeration system/dock installations.

Grounds maintenance/Fish Feeder filling at Cedar Rapids location.

Assist with Pond Audits by Electrofishing as needed.

Stock inventory/Pick up and deliver pond products.

Let me know if you have anyone looking for summer employment opportunities - we are looking for more than one hire at this time.

Thank you for your time.
