

**Subject:** UMN Extension Forest Regeneration Educator position

Hello friends. I'd appreciate any assistance getting the word out about this open Extension educator position. Thanks in advance!  
-eli

## **Job opening: UMN Extension Forest Regeneration Educator**

Our Extension Forestry team has just posted a new Extension educator position focused on forest regeneration. Among other things, this position will lead development of a new tree seed collection program that we're building along with a network of partners including TNC. If you're interested, I hope you'll review the posting at the links below. If you know others who may be interested, please share it. Thank you!
